

Tête Bossetan

The Tête Bossetan is the most easily reached from les Allamands, that is from the French side. However, a good part of the view one has is onto the Prealps of Vaud and the Chablais.

Thus, reaching the Col de Bossetan, one sees Val d'Illeiez and Dents du Midi.

From the mountain pass, we will then reach Tête Bossetan. Going down will be along the wide ridge that leads to Col de la Golèse.
