

The Pointe des Follys

The Mégevette's region has a certain number of low mountains. The Pointe des Follys is one among those. This place name is a hint that we will hike below the upper forest's limit, since Follys means "leafy". The views on the Chèvrerie's valley and the neighbouring Roc d'Enfer are magnificent.

Price:

For the current prices, please refer to the on-line programme.
